

Papa Joe's Casa de Pasta

WELCOME

We wish to thank and compliment you for choosing to dine at P.J.'s.

Papa Joe's started as a family Restaurant in 1973. Since that time I have lost my father, Papa Joe, in 1976 and my mother (Nonny) in 1988.

However, as you well know, it is becoming increasingly more difficult for a small business to survive due to spiraling operational cost.

We operate with a staff of ten devoted employees. Our budget cannot exceed that number, therefore, we ask for your patience during the peak hours of 7 p.m. to 8:30 p.m. We are not a "fast food" style restaurant. At times you might find your reservation or food service not quite on schedule. Please stay happy and hungry our food is worth a little extra time.

At this time we ask that you, your family and friends remember P.J.'s when you make your dining out, carry out, or catered plans. Your business is very much appreciated, and we thank you for it.

*Respectfully,
Shirley A. Nove
